# ABOUT US

Pristine, from the house of Allana Consumer Products Pvt. Ltd., is a global bakery specialist brand preferred by reputed chefs across the globe. With a superior range of specialized bakery premixes, Pristine gives life to a baker's passion through quality ingredients and signature applications.

Pristine's range of products include an assortment of patisserie mixes, bakery mixes, bread improvers and speciality mixes such as donut mixes, brownie mixes, cookie mixes etc. It also has a range of superior quality bakery fats and seasonings.

Allana Consumer Products Pvt. Ltd. is now happy to introduce Pristine Decors & Fillings, our latest range of bakery ingredients perfectly engineered to fulfil the dreams of passionate bakers. With this new range of Decors & Fillings, Pristine is all set to become a one-stop solution for all your baking needs.

This new offering from PRISTINE includes 7 innovative products to help make your desserts more scrumptious.

Pristine Neutral Glaze | Pristine Cocoa Glaze | Pristine Vanilla Cream Filling | Pristine Blueberry Filling | Pristine Strawberry Filling | Pristine Ganache | Pristine Cheesecake Filling

With the farsightedness of the Allanas and with an ambition to be a leader in baking solutions in India, Allana Consumer Products Pvt. Ltd. has also come up with a new state-of-the-art production facility in Khopoli, near Mumbai which is laid over a sprawling 45 acres of land and equipped with machinery from Holland's finest technology manufacturers.

With its high global quality standards, world class manufacturing capability, dedicated R&D and an agile Sales & Distribution team, Pristine Decors & Fillings will surely inspire professional bakers to take their baking expertise to the next level.

# CERTIFICATIONS
