

Range of Dried Treats, Chews & More...

“Dogs are not our whole life,
but they make our lives whole.”

— Roger A. Caras

Allanasons Pvt. Ltd. are amongst India's largest manufacturer and exporter of processed food products, agro commodities and dried pet treats and chews. We are the world's largest producer and exporter of frozen halal boneless buffalo meat and are exporting to more than 70 countries world wide. We have been recognized as Premier Export House by the Government of India.

We have 5 Pet Treat Plants which are situated very close to our 5 integrated Abattoirs at various places across India and fresh raw material is transferred to these plants for processing in chilled state. This ensures that the quality of raw material is intact at the time of processing.

The group has made vast investment in research and development activities to assure production of world class integrated processed food stuffs. Our pet treat plant has been certified with BRC (GFSI), HACCP, ISO 9001-2000, ISO 14000 (environment management system), OHSAS 18000.

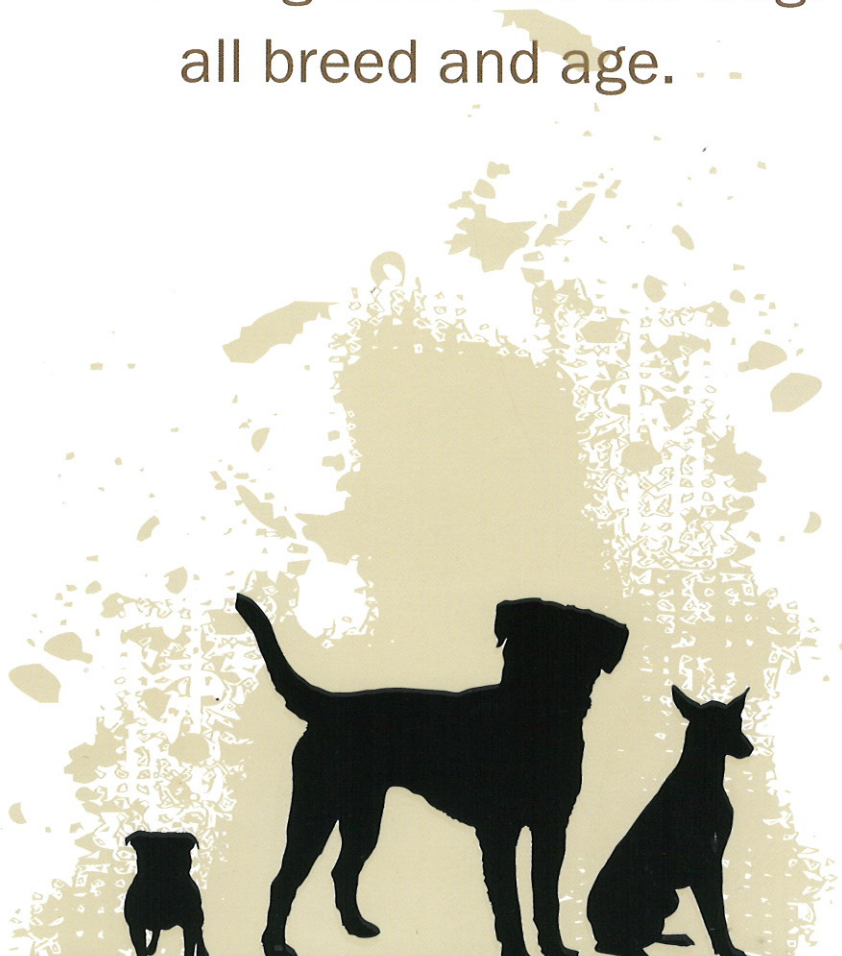

Allana Pet Solutions (aps) is a brand of Frigorifico Allana Pvt. Ltd.- a flagship company of Allanasons Pvt. Ltd. At Allana Pet Solutions, we believe in bringing happiness to your pets and increase their vitality. We pride ourselves as market leader from India in manufacturing and exporting of superior dried pet treats, chews and bones. All the products are made from natural ingredients that will help keep your pets playful and active.

Government of India, various state government, Capexil, Apeda, FIEO and various other non government organisation have recognised Allanasons by felicitating the group with various awards at national, state and organisational levels.
